Subject: Confirming contingency plan/ contacts

All,

As you know we have a contingency/monitoring/ plan with a call out tree in place at Leviathan Mine Superfund Site.

In light of the upcoming work in the Beaver pond area planned for later this summer, I'd like folks to please review and provide any updates to the phone tree—by end of day tomorrow.

Thanks! See attached,

Best Regards,

Lynda Deschambault

Environmental Scientist

USEPA Region 09
